INSURANCE COMPANY,)

Defendants.))

Pursuant to Idaho Code § 72-718, Claimant moves for reconsideration of the Commission's March 3, 2005, decision in the above-referenced case. Claimant asserts the Commission erred in finding that Defendants were prejudiced by Claimant's delay in notice. Although Defendants' cover letter indicates the late filing of its brief is not challenged by Claimant, Defendants' response will not be considered because it was untimely.

The Commission is not persuaded by Claimant's arguments. Claimant simply reiterates the contentions already made at hearing and in post-hearing briefing. The Commission carefully examined and weighed the evidence and arguments of the parties before rendering its original decision. The decision is fully supported by the record.

Accordingly, the Motion for Reconsideration should be, and is hereby, DENIED.

	DATED this _3rd_ day ofMay	, 2005.
